

Don't you dare undermine the Indiana Do Not Call List! I have my telephone numbers (4) on that list for a reason. If I wanted to receive solicitation calls I never would have placed my numbers on that list! You have NO jurisdiction over this matter, this is a state's rights matter! CONSUMER BANKERS ASSOCIATION TRIES TO WEAKEN INDIANA'S TELEPHONE PRIVACY LAW: The Consumer Bankers Association (CBA) has chosen to challenge Indiana's Telephone Privacy law in a proceeding before the Federal Communications Commission (FCC). The CBA is attempting to impose the federal "established business relationship" exemption on Indiana consumers. If successful, anybody that you currently have a business relationship with (e.g., your bank, credit card company, long distance carrier) will be able to call you as often as they want. Over an eighteen month period, that could translate to over 800,000,000 more unwanted phone calls to Indiana residents.
